Job Search Checklist

Organize a safe and consistent job search.

Category: Career	**Use:** During an active job search

Checklist

- **Targets:** Define suitable roles, locations, work arrangements, and salary considerations.
- **Sources:** Use company career pages and reputable job platforms.
- **Employer research:** Check the employer's identity, website, and contact details.
- **Role fit:** Review duties, requirements, location, and contract type.
- **Application kit:** Keep tailored resume and cover-letter versions organised.
- **Tracking:** Record the role, employer, date, status, and next follow-up.
- **Networking:** Contact people professionally and respect their time and privacy.
- **Follow-up:** Use reasonable, professional follow-up intervals.
- **Scam check:** Avoid paying recruiters for a promised job and never share OTPs or passwords.
- **Wellbeing:** Set realistic goals and review progress regularly.

Notes / follow-up

Important: This checklist is general information, not an official determination of eligibility or requirements. Rules, deadlines, fees, documents, and procedures can change. Verify details with the relevant official institution, regulator, examination authority, employer, or government website before acting. This resource does not guarantee admission, employment, examination success, funding, or visa approval.
