Course Selection Checklist

Compare courses against academic goals and practical constraints.

Category: Education	**Use:** Before choosing a course

Checklist

- ■ **Goal:** Clarify career interests, learning goals, and preferred study level.
- ■ **Content:** Review syllabus, specialisations, practical work, and learning outcomes.
- ■ **Eligibility:** Confirm prerequisites, subjects, marks, and entry tests.
- ■ **Recognition:** Check programme and institution recognition through relevant official bodies.
- ■ **Delivery:** Compare duration, attendance, online or campus format, and location.
- ■ **Costs:** Calculate tuition, living expenses, materials, travel, and other charges.
- ■ **Outcomes:** Research further-study pathways and credible employment information.
- ■ **Support:** Check faculty access, academic support, facilities, and student services.
- ■ **Alternatives:** Compare multiple suitable options using the same criteria.
- ■ **Decision:** Save official sources and document why the selected course fits.

Notes / follow-up

Important: This checklist is general information, not an official determination of eligibility or requirements. Rules, deadlines, fees, documents, and procedures can change. Verify details with the relevant official institution, regulator, examination authority, employer, or government website before acting. This resource does not guarantee admission, employment, examination success, funding, or visa approval.
