Exam Preparation Checklist

Plan revision, practice, materials, and readiness.

Category: Examinations	**Use:** During the preparation period

Checklist

- ■ **Syllabus:** Use the current official syllabus and examination pattern.
- ■ **Baseline:** Assess strengths, weaknesses, and topics needing attention.
- ■ **Timetable:** Set realistic revision blocks and regular breaks.
- ■ **Materials:** Use approved, reliable study materials and current resources.
- ■ **Practice:** Complete relevant practice questions and timed papers.
- ■ **Error log:** Record mistakes and revisit the underlying concepts.
- ■ **Recall:** Use active recall and spaced revision where suitable.
- ■ **Doubts:** Resolve difficult topics with reliable teachers or resources.
- ■ **Logistics:** Check registration status, centre details, and admit-card release notices.
- ■ **Rest:** Plan sleep, meals, and a lighter review before the examination.

Notes / follow-up

Important: This checklist is general information, not an official determination of eligibility or requirements. Rules, deadlines, fees, documents, and procedures can change. Verify details with the relevant official institution, regulator, examination authority, employer, or government website before acting. This resource does not guarantee admission, employment, examination success, funding, or visa approval.
