Guide

Use this guide as a planning framework. Requirements differ by institution, programme, country, applicant category, and intake. Keep a record of the official source and the date you checked it.

Identify each payment

- Separate application fees, counselling registration, security deposits, seat acceptance, and tuition.
- Check which authority or institution collects each charge.
- Use the current official notice for the relevant admission cycle.

Check refund conditions

- Confirm whether each charge is refundable, adjustable, or forfeited.
- Record deadlines for withdrawal, upgrades, and reporting.
- Do not assume that a deposit is refundable unless official terms say so.

Pay safely

- Use only authorised portals and verify the payment URL.
- Keep transaction references and official receipts.
- Contact official support promptly if payment status is unclear.
